

Fall Course: Session Arc

Re-sequence the eight studio sessions so the arc earns its final week.

SESSION PRINTED MON 28 JUL 2026

CARD A · THE PROPOSAL

01 The map and the ground rules

why this field exists; what we won't automate

02 Tools as instruments

first contact, small wins, no theory yet

03 The brief that resists

a problem AI answers badly on purpose

04 Taste as a skill

critique week; judging output, not making it

05 Agents and delegation

handing off work without handing off judgment

06 Field week

out of the building; collect, observe, log

07 The human layer

what stayed human in weeks 1-6, named out loud

08 Ship and defend

final work presented against its own process

LOOSE CARD — ANYTHING ELSE

Fall Course: Session Arc

One question. Take the whole page.

SESSION PRINTED MON 28 JUL 2026

CARD C · THE QUESTION

What can they do in week eight that they could not do in week one?

Not tool skills. Name the capacity.

LOOSE CARD — ANYTHING ELSE

Monday 9:30 · Win the Week

React to the proposed priorities. Rank what stays, kill what doesn't.
