

FALL COURSE: SESSION ARC

Re-sequence the eight studio sessions so the arc earns its final week.

SESSION PRINTED MON 28 JUL 2026

THE MACHINE SAYS

YOU SAY

01	The map and the ground rules	01	
	why this field exists; what we won't automate		
02	Tools as instruments	02	
	first contact, small wins, no theory yet		
03	The brief that resists	03	
	a problem AI answers badly on purpose		
04	Taste as a skill	04	
	critique week; judging output, not making it		
05	Agents and delegation	05	
	handing off work without handing off judgment		
06	Field week	06	
	out of the building; collect, observe, log		
07	The human layer	07	
	what stayed human in weeks 1-6, named out loud		
08	Ship and defend	08	
	final work presented against its own process

FALL COURSE: SESSION ARC

One question. Take the whole page.

SESSION PRINTED MON 28 JUL 2026

**WHAT CAN THEY DO IN WEEK EIGHT
THAT THEY COULD NOT DO IN WEEK
ONE?**

Not tool skills. Name the capacity.
