
Fall Course: Session Arc

SESSION PRINTED MON 28 JUL 2026

Re-sequence the eight studio sessions so the arc earns its final week.

THE MACHINE SAYS	YOU SAY
01 The map and the ground rules why this field exists; what we won't automate	01 _____ _____
02 Tools as instruments first contact, small wins, no theory yet	02 _____ _____
03 The brief that resists a problem AI answers badly on purpose	03 _____ _____
04 Taste as a skill critique week; judging output, not making it	04 _____ _____
05 Agents and delegation handing off work, keeping judgment	05 _____ _____
06 Field week out of the building; collect, observe, log	06 _____ _____
07 The human layer what stayed human in weeks 1-6, named out loud	07 _____ _____
08 Ship and defend final work presented against its own process	08 _____ _____

Fall Course: Session Arc

SESSION PRINTED MON 28 JUL 2026

One question. Take the whole page.

What can they do in week eight that they could not do in week one?

Not tool skills. Name the capacity.
